

## CALL FOR LOCAL DELEGATE APPLICATIONS

### 1<sup>st</sup> INTERNATIONAL MODEL UN SECURITY COUNCIL CONFERENCE 21-25 OCTOBER 2013 BAKU, AZERBAIJAN

**Deadline for submission of applications: Saturday, 31st August 2013**

UNDP Azerbaijan and the Ministry of Youth and Sport of the Republic of Azerbaijan are organizing the country's first International Model UN Security Council Conference to be held in October 2013 in Baku. The theme of the Conference will be **"Cyber Security"**.

The Conference will bring together 45 university students and graduates from Azerbaijan and fourteen other states currently serving as members of the UN Security Council. Selected candidates will participate in a one-month pre-conference training workshop in September-October, followed by the Model UN Security Council Conference in October.

As participants in this Model UN Conference, students will be required to step into the shoes of ambassadors to the UN, representing the foreign policy of Security Council member states as accurately as possible. Preparation for and participation in this simulation of the UN Security Council will help students develop research, writing, public speaking and analytical skills, which will prove invaluable throughout their lives. Furthermore, students will learn the value of consensus building, conflict resolution and cooperation and enhance their leadership and inter-personal skills.

#### **BACKGROUND**

In order to respond to national and international calls for youth empowerment, on March 12, 2012, UNDP and the Ministry of Youth and Sports of the Republic of Azerbaijan signed a Memorandum of Understanding (MoU) launching the first ever partnership between these two organizations aimed at youth empowerment in the country. One of the areas of cooperation under this MoU calls for giving youth "ample opportunity to prepare for international events through critical/analytical research, assessment and the formulation of national positions in relation to global policy issues" through a set of different activities and simulation exercises.

In order to keep up the momentum and continue providing youth with various platforms through which to discuss the range of issues on the national and international development agendas, Model UN will be used as an instrument to broaden the scope and scale of youth dialogues. To this end, one of the project components is to nurture young leaders who are suited to represent Azerbaijan on the international stage through a Model UN Security Council Conference.

Bringing together youth delegates from the 15 states currently serving as members of the UN Security Council, this Model UN Conference will expose the Azerbaijani youth to the exchange of information with their international counterparts and showcase the country's performance as a non-permanent member of the UN Security Council for 2012-2013.

## **ELIGIBILITY CRITERIA:**

- Only university students and graduates aged between 18 and 26 years old are eligible to apply.
- Fluent English. The official working language of the Model UN Conference as well as of the other activities during the event will be English. Therefore, all participants are expected to have an excellent knowledge of the language.
- Full participation and availability for the whole pre-conference trainings and conference period. Every participant is obliged to take active part in the Model UN trainings and activities organized before and during the event.

## **Applicants must also have the following knowledge and skills:**

- Keen interest in international affairs and the work of the UN
- Working knowledge of the UN Security Council
- Experience working effectively in a team
- Strong research, writing, problem solving and communication skills. Prior to the Conference, participants will be required to write position papers (a document that succinctly summarises a country's policies on the topic to be discussed during the simulation); during the Conference, participants will be required to make opening and closing statements, and actively participate in formal and informal debates, as well as in the drafting of final resolutions.
